If yes, provide the comments below:

The meetings were opened by HA staff and director with the projects that the staff had discussed. The policy changes that are recommended by staff would not impact residents in housing. A review of the proposed changes are reviewed.

**Comments from the floor** included a wish list of things the residents would like to some day see happen at Hillview Village such as parking garages. This issue was a hot topic last year and remains something the residents would really like to have but again the discussion turned to who would be assigned and where the garage would be built made the residents realize it would be a very hard mission to complete. Handrails and benches along the sidewalks and the exterior fire lane are discussed and it was of general agreement that this could be done. Also a water system or those that garden was of interest.

Areas that were agreed to and are going to be a part of the Capitol Funds projects for upcoming years included to continue buying and updating appliances and window treatments.

**Family Housing residents** talked about landscaping the yards and continue to work on the playgrounds. Also they want to continue to see replacement of new stoves and refrigerators.
